Dear Colleagues!

We kindly invite you to participate in the XII International Scientific Conference
“Microbial biotechnologies: fundamental and applied aspects”
Minsk, 7-11 June 2021.

The Conference will be held in personal attendance and online formats. The program will comprise plenary reports and sessions of oral presentations. The meeting of East Palearctic Regional Section of International Organization for Biological Control will be organized within the framework of the Conference. Abstracts of presentations will be published in Conference Proceedings. By agreement with the Organizing Committee, the presented materials may be published in the annual series of collected papers “Microbial biotechnologies: fundamental and applied aspects” (recommended by Higher Attestation Commission of the Republic of Belarus for publication of dissertation research results and enlisted in Russian Science Citation Index), to be issued in the third quarter of 2021. Guidelines for papers submission will be sent to the authors by Organizing Committee.

The Organizing Committee reserves the right to reject abstracts and papers, which do not meet the conference thematic, formal criteria or deadline.

Conference topics

1. Physiology, biochemistry and genetics of microorganisms.
2. Microbial synthesis of biologically active compounds. Genetic engineering of microorganisms. Microbial Culture Collections.
3. Biotechnologies for Agriculture.
4. Biotechnologies for Medicine and Industry.
5. Biotechnologies for Environmental Protection.

Conference Languages: Belarusian, Russian, English.

Conference Venue: State Scientific Institution «Institute of Microbiology, National Academy of Sciences of Belarus».

To participate in the conference, it is necessary to complete registration procedure and submit abstract of the paper (up to 2 full pages of A4 format), prepared in accordance with established criteria via on-line registration system (www.mbio.bas-net.by/2021).

Key Dates:

Registration deadline – 12 April 2021

Abstract Submission deadline – 12 April 2021

Registration fee payment deadline – 20 May 2021

Paper manuscripts to be published in the reviewed annual series of collected papers “Microbial biotechnologies: fundamental and applied aspects”, complying with formal rules for authors, should be e-mailed by 12 May 2021 to the following address: conference@mbio.bas-net.by.
